To Whom It May Concern,

Live365 is an internet radio platform that offers broadcasting packages including licensing in the following territories:

- **United States:** SoundExchange, ASCAP, BMI, SESAC, GMR, Word Collections, AllTrack
- **Canada:** SOCAN, Re:Sound
- **Mexico:** EMMAC/SACM, SOMEXFON

**Alternative & Indie Rock Radio -- HEADY.FM** is owned by **Johan Moreno (johanmoreno@hey.com)** and is currently a Live365 station in good standing for the subscription billing period of **2026-05-18** through **2026-06-18**. This recurring subscription provides them with a royalty included streaming package which includes the above licensing for non-interactive streaming. Should their subscription cancel or lapse, our licensing coverage will no longer be applied to their stream.

Please visit SoundExchange's preferred radio provider list which includes Live365 Broadcaster LLC dba Live365 for further proof -

- <https://www.soundexchange.com/about/our-work/digital-radio-providers>.

Please accept this letter as proof of this station's licensing presently, should they sustain their Live365 subscription to this package, which allows for legal streaming of copyrighted sound recordings in the above mentioned territories via the above mentioned rights organizations.

Thank you,

**Jason Stoddard**

President
